About East India Trading

East India Trading is Australia's premium wholesaler of solid teak garden furniture. We pride ourselves on giving the highest levels of service and delivering the highest quality furniture for retail outlets and Interior Designers to use to complete that perfect outdoor room.

Our range of teak furniture uses only the best proven methods of construction giving the furniture strength and durability. Designed with elegance, each piece in our collection does not only exude style, but is practical and has a high level of comfort.

We also ensure that all the pieces are machine made from plantation teak and each item guarantees the natural warmth and beauty of its spectacular grain of which only the finest of teak deploys.

Wicker Collection

By combining the comfort of wicker with the warmth of teak we have created the perfect combination to compliment any outdoor area.

Our range of beautiful synthetic wicker and teak brings the comforts of the indoors outside. With all weather wicker and teak your furniture will stand the test of time.

This brochure showcases our latest designs built by craftsmen using only the best materials and methods of construction.

Our wicker range is hand woven by craftsmen who have inherited the trade from generations past making each piece unique. Synthetic wicker and teak is durable, easy to maintain and will give years of service. Our collection includes numerous options for your veranda, pool or garden.

Browse through the brochure and be inspired to find that perfect combination to transform your outdoor area.

East India Trading is against illegal logging and proud to be amongst the first in Semarang to gain accreditation. Guaranteeing the chain of custody from the plantation to you.
